

ALbee[™] Weld

Buy your own cylinder

With **ALbee[™] Weld** you will save time and money while working safely!

- Make your life easy with **ALbee[™]**: the portable, ready-to-use gas cylinder for tradies and hobbyists.
- Simply pay and pick up your full **ALbee[™]** cylinder at any nearby reseller. When empty, you just exchange it for a new cylinder and only pay for the refill.
- **ALbee[™]** is a ready-to-use product. Just plug your hose into the cylinder thanks to the quick connect system and start your work!
- Maintenance ensured by Air Liquide.

ALbee™ Weld

EASY TO BUY

- **Innovative rent-free cylinders.** No more rental bills, just pay and pick up your cylinder.
- Available through a **network of resellers.**

EASY TO USE

- **MINITOP™ ergonomic built in regulator.** No need to buy a separate regulator.
- **Optimum safety** with its **shock absorbing guard** and on/off lever for fast cut off.
- **Easy set up** with a **graduated hand wheel** and **quick connect.**

EASY TO EXCHANGE

- When empty, just **exchange** at any reseller.
- **Maintenance** performed by Air Liquide at each refill.
- Three cylinder sizes to choose from.

MINITOP™

Safer - Faster - Easier

- **Ergonomic shock absorbent handle.**
- **Built-in on/off lever.**
- **Built-in easy connect.**
- **Integrated Regulator:** tested and inspected by Air Liquide at each fill.
- **Graduated Hand Wheel:** you can set and read the operating flow rate easily.
- **Built-in Pressure Gauge:** see the quantity of gas in the cylinder at all times.
